A.C.R. and C.N.R. SCRAP

A Thousand Teams of C.N.R. Rushing Work.

Big Excitement Out West.

The C.N.R. is making gigantic efforts to head off the Alberta Central west of Sylvan Lake, it is reported, and some people say they have an army of a thousand men and teams marching westward around the end of Sylvan Lake and extending their line westward. It cannot be that the C.N.R. have so many teams at work, but they no doubt have a large gang and they seem to be very busy.

The Alberta Central people, on the other hand, are straining every nerve to rush on their line, and it is wonderful the ground they are heaving up. They are constantly adding men and teams to their outfits at work in several locations, and are making great progress.

Some timid people fear a clash between the two gangs of men when they meet, but there is little fear of this. The battle ground is about twenty-five miles directly west of

the centre of Sylvan Lake. Already a riot has been reported, but this resolves itself into a miniature scrap between a couple of men, one receiving a blow in the eye.

However, the countryside for miles is excited over yams going and coming which are magnified into all kinds of stories, when analyzed prove to be untrue.

The Canadian Northern surveyors were busy yesterday, it was said, surveying just north of town on the hill through Woodlands and there is considerable speculation in town in consequence.

The Alberta Central at last report had over four hundred teams at work and horses and men are at a premium. In fact, scrapers and other paraphernalia seem to be gathering from the four quarters of the earth for a mighty onslaught in the road building, and yet the companies cannot get enough to satisfy them.

New Curling Rink.

At a meeting of the Red Deer Curling Club Friday evening last, at the Alberta, it was decided to make an effort to build a new curling rink, and a committee was appointed to canvass for support and to report to a meeting on Monday evening.

The meeting on Monday evening was most enthusiastic. The committee showed a subscription list of one thousand dollars towards a three sheet curling rink, and a committee consisting of R. B. Welliver, A. T. Stephenson, Harry Wallace and R. E. Humpton, was appointed to let contracts for the construction of the building at once, and the work will be rushed forward without delay.

Hugh Clarke will have the contract. Curling is one of the most healthful and invigorating sports—clean, manly, and backed up by the best citizens, and we are pleased that we will this year have a rink of which we may feel justly proud, and which will be a credit to the town.

Big Increase of Pupils.

At the regular meeting of the School Board on Wednesday evening Principal Mackenzie and Secretary Munro compared the enrollment of pupils for September and October 1909 as compared with the records of this term. The September, 1909, enrollment was 310, and the October enrollment 310, running higher up to Christmas. For September, 1910, it was 363, an increase of 53, and for October so far 373, an increase of 20 per cent over last year. The Board have had no answer as yet to their offer of \$4,000 to the Township Company for another school block seven blocks south of the present schools.

There were present Mr. Carswell chairman, Mr. Fay, Mr. Simpson, Mr. Gaetz, Mr. Munro, secretary, and Principal Mackenzie.

PRINCIPAL'S REPORT

The Principal's report showed an aggregate attendance for September of 363, with an average of 320.22. In the High school department the enrollment was 38. In the fire drill on October 10 the building was occupied in less than one minute. The Principal thought there might be further readjustment in the lower standards if the attendance increased as it had been doing.

Hospital Board Meeting.

The regular monthly meeting of the Hospital Board was held on Friday evening last, with President P. H. Tallman in the chair. There was a bare quorum present, consisting of G. W. Greene, W. L. Gibson, J. A. Carwell and Secretary Allen.

The matron's report showed the hospital to be pretty well filled with patients.

The financial statement, presented by Mr. Allen, showed the hospital to be gaining ground, whereas last spring they were going behind slightly.

Certain repairs to the building were reported as completed, and a sharp discussion took place re. collecting outstanding accounts, and Messrs. Greene, Gibson and the Secretary were appointed a committee to attempt to gather them in.

An attempt will be made to have two or three probationers in the hospital, to complete their last year at a city hospital.

The Secretary showed some \$1,200 as outstanding accounts, with liabilities about the same amount. If all the accounts were paid, the institution would be able to wipe off its indebtedness.

An effort will be made to re-establish the old relations with the C.P.R. company. The Board then adjourned.

VALLEY CENTRE

A social under the auspices of the Valley Centre Literary Society and the School Board, will be held in the Valley Centre school house on the 31st of Oct., commencing at 8 o'clock. A collection will be taken. Proceeds go towards donating the Nelson Shields given by Lord Strathcona. Bring refreshments. An excellent program will be rendered. Everybody cordially invited.

Citizens' Meeting.

A meeting of the citizens of Red Deer and surrounding country is being called for Thursday evening, 20th inst., at 8 o'clock, in the Oddfellows' Hall, for the purpose of giving an opportunity to Rev. Mr. Keith, the President of the Alberta Young Ladies' College, to lay his plans and aims regarding the new institution before the people of Red Deer. The chair will be taken by the Mayor, and a number of short addresses will be given. It is earnestly hoped the meeting will be a large and representative one. A special invitation is extended to the ladies to be present.

POPLAR RIDGE

Mr. Mott took charge of the service last Sunday afternoon in lieu of Rev. Barber.

Mr. and Mrs. F. Neilson returned from their wedding trip, and are stopping with Mrs. Neilson's parents for a few days on their way to Great Falls, Mon.

Owing to Mrs. Perrier's ill health, Mr. Perrier has sold his home in Red Deer, and they will spend the winter with their daughter, Mrs. Strong.

JUVENILE BOSTONIANS

The chief musical attraction of the season will be the appearance of the Juvenile Bostonians, a company of twenty of the cleverest tots before the public in a new and elaborate production of "The Ransom," which has been a recognized metropolitan success in every city of note on the continent.

This season the kiddies are trained to the minute and give a performance which would do credit to the best of the veteran grown-ups.

Among the feature players we find such artists as Rose (Patsy) Henry, Thom Hellen, Lois Mason, Doris Canfield and a host of others who have been in training since babyhood and can render the most difficult musical and dance numbers with the greatest ease. The tour is under the direction of Mr. J. Cosgrove. At Lyric Theatre, October 22nd.

WILLAN-McKENZIE.

A quiet wedding took place at St. Luke's Episcopal church on Tuesday evening last, Oct. 11th, when Eva, daughter of Mrs. A. McKenzie, was married to Gerald Manby Willan, Rev. C. W. G. Moore performing the ceremony. Only the near relatives of the contracting parties were present, namely, Mrs. McKenzie, Mrs. Wilkins, and Mr. Willan's two brothers, Lionel F. and L. B. Willan. After a few days stay at the Arlington, the happy couple left for their ranch at Erskine, followed by the best wishes of a host of friends in Red Deer.

Rheumatism Cured.

Zam-Buk will give you relief!
When you have any deep-seated pain in the joints, the back, the wrists or elsewhere, place a liberal supply of Zam-Buk on the fingers or on the palm of the hand and rub in. The penetrating power of this "emtro-lation-balm" is very great. It kills pain and removes stiffness. Mrs. Frances Wyatt, of 25 Guy Avenue, Montreal, says: "I have found Zam-Buk most soothing and valuable in very bad case of rheumatism, and also for stiffness of joints and muscles. I suffered long and acutely from rheumatism, and tried on limitment after another in vain. I also took medicines internally, but it remained for Zam-Buk to effect a cure. I began applying this balm whenever I felt the aches and pains of rheumatism coming on, or felt any of the stiffness. The result was truly wonderful. Zam-Buk seemed to penetrate to the very seat of the pain, driving them completely out, and I am now quite cured."

So many of the ordinary contractions and liniments are ineffectually prepared and not sufficiently rubbed to penetrate even the skin—much less the underlying muscles, Zam-Buk is totally different. Zam-Buk is so refined, and its essences and juices are so concentrated, that when rubbed into the muscles for rheumatism, sciatica, sprain, etc., its effect is very quickly felt.
If rubbed on to the chest and between the shoulders in case of bad cold on the chest, Zam-Buk will give relief. Apart from its use as an embrocation, Zam-Buk will be found a cure for all ordinary forms of skin disease and injury. It cures eczema, rashes, ringworm, cold sores, ulcers, abscesses, chapped hands, piles, varicose veins, cuts, burns, bruises, etc. All druggists and stores at 50c. or post free from Zam-Buk Co., Toronto, for price. Refuse harmful imitations.

Wetaskiwin: Leduc, Camrose, Killam, Sedgewick.

Rural deanery of Wetaskiwin: Rev. A. P. Carter, Rev. J. Mason.

MEETING OF CLERGY

The clergyman whose name appears at the head of the list in each of the first six rural deaneries is asked to call a meeting of the clergy of that deanery, to be held at the centre, for the purpose of nominating one of their number to be their rural dean, and to perform any other duties under the canon on rural deanery chapters.

The bishop specially commands to each of the deaneries the speedy inauguration of vigorous Sunday school and mission work, to be felt in every part of the deanery.

WITHDRAWAL.

The Rev. C. Washburn has, on medical advice, withdrawn his acceptance of the rectory of Immanuel parish, Wetaskiwin.

BISHOP PINKHAM COLLEGE. At a recent meeting of the board of management of the Bishop Pinkham College the following resolution was unanimously adopted, viz: "That the secretary be authorized to secure detailed estimates of the cost of excavation for the portion of the building for which plans are before this meeting, and for the building of the foundation and basement walls respectively."

Donations for the college recently received: Sir John Langman, \$100; Major Langman, \$50; W. H. Rowley, \$100.

ORDINATION

On Sunday, Sept. 11th, in St. Stephen's church, Calgary, Alban E. Blood, of Diocese of Eborac, England was admitted to the deaconate. The bishop preached and the candidate was presented by the Ven. Archdeacon Webb, M.A.

Confirmations have been held at Lamont, Bowden, Calgary and Innisfail (private).

ARCHBISHOPS' MISSIONS

The Rev. W. H. Mowat has returned from England and took part in the dedication of St. Cypryan's church, Lethbridge. He comes back to start a mission in the southern part of the diocese under the archbishops' western Canada fund. Rev. Mr. Speke who accompanied him as far as Winnipeg, is to spend a few months in the diocese of Rupert's Land, and then to join Mr. Mowat who already has a layman, Mr. Morgan, with him. Their headquarters in the south are not yet definitely settled.

Rev. Oswald Creighton has joined the Rev. G. J. Boyd in St. Faith's mission, Edmonton.

EXECUTIVE COMMITTEE

Two meetings have recently been held, Sept. 9 and Oct. 4. The following are some of the items of business transacted:

1. A resolution was passed welcoming Rev. W. H. Mowat on his return to the diocese.

2. G. R. P. Knaprick was elected a member of the executive committee vice Ridgeway Smith, resigning; and a resolution of regret passed and sent to Mr. Smith.

3. A committee consisting of Chancellor Conybeare, convener, and Messrs. Gotsal, Shaw, Gentry, Walsh and Geddes, with power to add was appointed to carry out the resolutions of last Synod relating to clergy superannuation.

4. Consent to mortgage was given to the parish church, Macleod, and to the pro-cathedral, Calgary, provisionally.

5. The question of religious education in our public schools was discussed and resolutions sent to our synod committee for submission to the joint committee of Anglicans, Presbyterians and Methodists.

M. S. S. C. APPOINTMENT

The treasurer reports having received the following amounts on account of the diocesan apportionment of \$4000 for the current year: Grano \$140; Killam \$85; Sedgewick \$85; Pine Lake \$100; Lacombe \$55; Sarcee reserve \$400; Airdrie mission \$230; Macleod \$80; Innisfail \$60; Edmonton Christ church \$50. Total \$810.

This, with the sums already acknowledged, gives a total of \$927.41 received to date.

CERTIFICATES

A supply of certificates of baptism, marriage and confirmation will shortly be on hand in the synod office for sale at cost.

GEO. H. HOGGIN, Secretary.

WESTERN MEN BUT IN.

Hon. Mr. Templeman and Ralph Smith Snubbed by the Department of Trade and Commerce.

Ottawa, Oct. 4.—Hon. Wm. Templeman and Ralph Smith, M.P., of Nanaimo, have been badly snubbed by the Department of Trade and Commerce. When it was found that the Chinese smuggling ring of Vancouver was really a great affair, and that it involved a great many persons well known in Liberal circles in that city, Mr. Templeman, Mr. Smith and the Liberal executive of Vancouver wrote and telegraphed to the department protesting against proceeding any further with the inquiry. Instead of according to the demand the deputy minister of the department went outside of the political ring and the government legal patronage list for counsel to act in the matter, and appointed three gentlemen who are well known to have no axes to grind.

In political circles at Ottawa the snub that has been given these two time serving politicians from British Columbia has caused a great deal of amusement. It remains to be seen whether the deputy minister of trade and commerce will get into trouble or not for administering this rebuke. However, he is a relative of Sir Richard Cartwright and that may help him some if he gets into a tight corner.

Severe attacks of rheumatism are often responsible for cases of organic heart trouble. At any rate it is foolish to "grin and bear it."

Local & General

Thanksgiving Day, Oct. 31.

The Fire Brigade have added a pool table to their equipment.

Mr. and Mrs. J. Carlyle Moore have returned from the coast.

Mr. and Mrs. M. L. Beckett were in town from Calgary last week visiting friends.

J. P. Day, of Medicine Hat, was in town last week. He will move to Red Deer shortly.

F. G. Forster, editor and publisher of the Medicine Hat Daily News, is visiting relatives at Sylvan Lake.

W. J. Manning left Thursday for B. C., where he will be for two months inspecting branches of the Merchants Bank.

Charles Larko, who has been visiting Mr. and Mrs. J. H. Menzies, left for his home in Colborne, Ont., Thursday last.

F. B. Harrison was in town last week from the coast. He has some tempting real estate property to offer over there.

Numerous flocks of geese passed over the town Wednesday and Thursday, showing cold weather is creeping along in the north country.

E. R. D. Porter, formerly of Red Deer, and now manager of the Merchants Bank at Trochu Valley, has been promoted to Gull Lake, Sask.

Besides those mentioned last week, Mr. and Mrs. H. H. Gaetz, Mr. and Mrs. J. Leary, and E. Michener, M.P.P., heard Melba when she passed through Alberta.

For Thanksgiving Day, October 31, 1910, the Canadian Pacific Railway Company are authorizing a rate of fare and one third for the round trip. Tickets will be on sale October 28th to 31st inclusive, final return limit November 2, 1910.

C. A. Julian Sharman lost a valuable cow a short time ago. He is inclined to think it was shot. It should be a simple matter to prove it. If Mr. Sharman is absolutely sure, the charge is a grave one to make without proof. If it is proven, the person doing such a thing should be severely punished if discovered.

A meeting of the citizens of Red Deer and surrounding country is being called by the Rev. Mr. Keith, President of the Alberta Young Ladies' College, for Thursday evening, 20th inst., at 8 o'clock, in the Oddfellows' Hall, for the purpose of having his plans regarding the College laid before the public. A large and representative meeting is earnestly desired. Mayor McKee has consented to take the chair.

Rev. Dr. Fry, who is the owner of the Berkhamstead farm of seven quarter sections near Red Deer, has been appointed by the British Government Dean of Lincoln. This is one of the most important offices in the Church of England, and friends here will congratulate Dr. Fry on his preferment. He has been for twenty three years the head of the Berkhamstead Boys' School in England. He came to it when it had 126 pupils; now it has 500. His effort to bring Red Deer farm to train English public school boys for farming in Alberta was an outgrowth of the English school.

A Good Clubbing Offer.

The Women's Page of The Toronto News is one of the charms of that great Metropolitan newspaper. Some of the most capable women journalists in Canada are members of The News staff and contribute regularly to this department. The Inquirer's Corner, in which answers are given daily to all sorts of questions, is a feature of this page. The NEWS also makes a special feature of its fashion plates and provides a daily menu, which has proved an invaluable suggestion in the homes of thousands of the readers of this paper. The Women's Department covers all the Social News of Canada and the News of the Women's World. A particularly strong feature in its Saturday issue is maintained under the title of Furbelows and Fancies, which is crowded with valuable suggestions on shopping and where your shopping could be most economically and effectively done.

In addition to this The NEWS carries exclusive Telegraphic services, Continental and Imperial, and world wide in scope.

We have just completed an arrangement whereby we can offer The Toronto News and The Red Deer News for \$2.20 a year. This is a splendid clubbing offer.

WE HAVE NO RIGHTS.

Edmonton papers, especially the Bulletin, are agitating for water and power rights on the Saskatchewan. The people of Alberta have no rights to water, timber, minerals or lands of the Province.

If you want to draw water from any river or stream, you must go to Ottawa and ask permission to do so. If you want to mine a ton of coal, you must pay a royalty to the Dominion Government. If you want to cut a stick of timber, you must get a permit from Ottawa; and so we might go on.

The great water power of our streams belongs to Ottawa also, and they can do sell the same to the political favorites, to the injury of the province.

Edmonton just now wants such power, but already it is understood private parties on the inside are trying to obtain control of the power from the Dominion Government, and if they do, the city will have to put up a pretty penny before they obtain control of the rights.

ALBERTA LEADS

Facts speak for themselves. Farmers are practical people, and many a man who has been warned not to come to Alberta in the United States now points to the fact that Alberta beats the states of the west, that have practised dry farming, at their own game, and has carried off the laurels so coveted by them. Nor is it a slight triumph to surpass Montana, Idaho and Washington in the form of agriculture. The Toronto Telegram, speaking of the matter, says:

To those who have ridden through those stretches of sage brush in early days it seems incredible that should have become possible to raise anything on them except a disturbance. Yet marvels have been accomplished by the careful conservation in the soil of such moisture as there is, and lands, regarded a few years ago as absolutely arid, are being proven capable of yielding abundant crops. The addition thus made to the wealth and resources of the Pacific Northwest is incalculable. That truly astonishing country bids fair to rival any known portion of the globe in the variety of its productive qualities.

It is extremely gratifying to know that Canada, far from lagging behind in this more modern development of agriculture, is in the lead, and that the Canadian farmers of Alberta are not merely the peers but the superiors of their neighbors, while Canadian communities have carried off the prizes earned by the exercise of public spirit in the display of the products of their tributary territory. Many honors are coming the way of Western Canada these days, but Alberta's great success at Spokane is by no means the least valuable and important.

The Toronto Mail says: The campaign against Frank Oliver continues with unabated fury, and the result is expected to be the transference of the Minister to a Governorship. Mr. Oliver has had a long term, and the Sifton influences do not forget him. The leaders of the party in the Edmonton district, Messrs. Mononick, Rodnik, Matichuk and Thanassjehik, will certainly suffer a bereavement when Mr. Oliver hobnobs with them no more.

Portugal's new form of government promises to be an experimenting experiment. According to the description given by President Braga, some weeks ago, it is to consist of a Federal House, elected by the Councils of the various provinces. The Provincial Councils are to be elected by the Municipal Councils. The people will elect the Municipal Councils. Then the Municipal Councils will elect Provincial Councils, and after that the Provincial Councils will elect the Cortes. In theory the idea seems fairly good. But it is not likely to work out satisfactorily, because the issues in Municipal Councils are not those of the other ruling bodies. In addition, the question will be so mixed that the opinion of the people upon them will not be obtainable.

Henry Bourassa prints an article in Le Devoir in which he declares against the tricolor as a flag for use in Canada, and also against the flag of Carillon. He says the Union Jack is the flag for this country. This will infuriate the Laurier press.

Organized Farmers Congratulated by Free Trade League.

The following congratulatory address from the officers of the Free Trade League to the officials and members of the Grain Growers' Association of Canada has been received by R. McKenzie, secretary of the Manitoba Grain Growers' Association, with a request to forward a copy to the officials of other organizations who have co-operated with them in asking for better trade relations.

The secretary, G. Wallace Carter, concludes his introductory letter by drawing attention to the fact that the address is signed by prominent Unionist statesmen as well as by Liberals, and that other officials of the Union who have not signed the address have only refrained from doing so because they are members of the latter party.

The secretary admitted that the work done by the organized farmers of Alberta at the time of Sir Wilfrid Laurier's visit to Western Canada would be of far reaching effect.

The following is the address:

8 Victoria St., London, England, Sept. 22, 1910.

R. McKenzie, Esq., Secretary, Manitoba Grain Growers' Association, 275 Sherbrooke St., Winnipeg, Man.

Dear Sir:—I have the honor to send you here with a congratulatory address from the officers of the Free Trade League to the officials and members of the Grain Growers' Association of Canada.

The officers and committee of my Union desire to express their gratitude to the farmers of Canada for the splendid stand which they have made. I am instructed to send the address to you as one secretary of one of the leading associations in Canada, and to request you to be good enough to forward a copy to the officials of the other associations who have co-operated with your organization in again raising the standard of free trade in Canada. May I draw your attention to the fact that the address is signed by prominent Unionist statesmen as well as by Liberals. I should like to add that the other officials of our Union who have not signed the address have only refrained from doing so because they are members of the British Cabinet. As such, they do not wish to take any action which might be construed by our opponents as an interference with Canada's domestic affairs. They appreciate, however, as fully as the other officers of the Union, the deep debt of gratitude which free traders all over the empire, but particularly in the motherland, owe to the free traders of Canada for the stand which they have made on behalf of sound

imperialism, real unity and freedom. Yours very truly,

(Signed) G. Wallace Carter, Secretary.

8 Victoria St., Westminster, London, England, September, 1910. R. McKenzie, Esq., Secretary, Manitoba Grain Growers' Association, Winnipeg, Man.

Dear Sir:—We have read with great gratification the striking memorial presented by your association to the Canadian Prime Minister at Brandon last month. Your memorial was published in full in the British papers, and attracted widespread attention. The presentation of that memorial, followed as it has been by a series of addresses and deputations to your Prime Minister, on the subject of protective tariffs, has been a noteworthy and timely service to the Empire, and to the cause of a free trade in every country as well as in Canada. As officers of the Free Trade Union we desire to congratulate your association on the strong step which it has taken in support of free trade.

We notice with satisfaction your disavowal of any desire for a preference in the British market, a policy which we have as yet scarcely been able to understand. It is a policy which with economic and political dangers alike to the empire as a whole, and especially to Canada and the Mother Country. Canada has hitherto been misrepresented by the tariff reform party here as a solid unit for protection. You have not only made it clear that this is a mischievous travesty of the facts, but you have demonstrated to the whole world that the maintenance of Canada's loyalty to the Empire does not rest upon so ignoble and precarious a foundation as the success of the protectionist movement in the Motherland. The welcome preference given by Canada for British goods, in itself a step towards the abolition of protective tariffs has been used in this country as a weapon against free trade. The leaders of the protectionist agitation here have declared that this preference is in danger of being withdrawn, unless people will consent to tax their bread and thus ensure a higher price for Canadian corn. By proclaiming your objection to such schemes of taxation you have struck a powerful blow at protection, and among the British. That movement began with vague proposals for Imperial preference but those have been overshadowed by the present tariff movement. Tariff reform now finds its largest support in suggestions for the full protection of British industries by taxing food and manufactures upon their entry into the United Kingdom. The future of free trade all over the world is bound up with the defeat of protection in Britain. A protectionist triumph here would strengthen the cause of protection in every other country, for, just when other nations are trying to throw it off, we are fighting to uphold free trade in face of the great vested interests which here, as elsewhere, are seeking to enrich themselves by the imposition of protective tariffs.

We look to you and to all free traders in the British Dominion to help us in maintaining the real unity of the Empire, by maintaining complete fiscal independence for each component part. We look to you to make it impossible for any political party to utilize the low and loyalty of all the British peoples as a political asset in a party game, or as a means of fastening upon any one of them a fiscal system which is contrary to its interests and desires. The Empire has been built up by perfect freedom joined with perfect loyalty to the Crown. It is because your association can and has done much to help us in maintaining these great traditions, that we have ventured to address you as the official correspondent of the Manitoba Grain Growers' Association. We beg to offer our warmest thanks to your friends and colleagues in Manitoba, Saskatchewan and Alberta who have co-operated in the recent free trade demonstrations. We trust that without any interference in matters of purely local concern, it may be possible for our Union and your Association to render each other valuable help in defending the only sound principles of trade, and in securing the prosperity and freedom of our Empire.

Signed on behalf of the Free Trade Union, Arnold Morley ... President. Averbury Balfour of Burleigh Brasseley Vice Presidents. James of Hersford Arthur D. Elliott Alfred Mond ... Hon. Treasurer. C. E. Mallet Hon. Secretaries. Vlive Bigham G. Wallace Carter ... Secretary.

Presentation to Rev. Dr. Keith and Mrs. Keith.

We notice the following pleasant reference in the Prescott Journal to N. D. Keith and Mrs. Keith, who took up their residence in Red Deer a few days ago. Mr. Keith is the President of the new Presbyterian Ladies' College, about to be started in Red Deer.

On behalf of the session of the Presbyterian church at Prescott, the session desire to take this opportunity to express their high appreciation of the excellent work done in the congregation by the Rev. N.D. Keith, M.A., B.D., during his short pastorate among us; and especially would we refer to his work in connection with the Sabbath school and among the young people. His ability as a preacher is much above the ordinary, and his energy is a stimulus to his co-workers.

We greatly regret that he has so soon been called to another field of labor, as the foundations of his work here have as yet scarcely been laid, and we have looked forward to many years of prosperous work under his guidance. We would also refer to his unfailing kindness and sympathy as a pastor which could

scarcely be excelled. In Mrs. Keith we are losing an estimable lady, one of the best workers the church has ever had, kind and considerate; one who is always ready and willing to assist in any church work.

We unite in wishing both God speed in their new field of labor in the west, and pray that they may long be spared to carry on the work of the Master and that God's choicest blessings may follow them and theirs.

Signed on behalf of the Session. F. J. Davy, Clerk of Session. Prescott, Sept. 27, 1910.

ADDRESS AND PRESENTATION. The Womans' Foreign Missionary Society of the Presbyterian church, presents Mrs. N. D. Keith with a handsome set of table linen, previous to her departure for Red Deer, Alberta. The following address accompanied the gift.

Dear Mrs. Keith:—We, the members of the Woman's Foreign Missionary Society, have learned with regret that in the Providence of God, you are about to leave for a distant field.

We feel that we cannot allow you to go without expressing our appreciation of the help and benefit you

have been to our society since you came among us.

Your regular attendance at the monthly meetings, your deep interest in all the exercises, and your hearty support in its various undertakings, have all combined to make you a valued and honored member.

We also wish to recognize your faithful supervision of the Mission Band and your help to the young people in carrying on their work. Especially do we recall your untiring efforts in the preparations for the annual meeting of the Presbyterian in May last, and your unbounded hospitality on that occasion.

As a small token of our respect and esteem, we ask you to accept of the accompanying gift, trusting that it may serve to remind you of the many and profitable hours spent in the service of our Lord and Master. That God's rich and abundant blessing may ever rest on you and yours, is the sincere prayer of every member of the W.F.M.S. in Prescott.

Signed on behalf of the W.F.M.S. Mrs. J. Dowsley, Pres. Mrs. J. McGill, Sec.

COUNCIL MEETING

The regular meeting of the Town Council was held Thursday evening last, His Worship Mayor McKee in the chair, and councillors Gairbairn, Alford, Tallman, Carscallen and Welliver in attendance.

CORRESPONDENCE
James McNeil, secretary-treasurer of the provincial association of the Local Improvement districts of Alberta, notified the Council of the annual meeting in Red Deer on Nov. 22nd and 23rd.

A letter re gasoline lamps was filed.
The John McDougall Iron Works, Calgary, wrote re pump parts not here. Those were sent at once.

Mr. Miles wrote from Wetzakirgin that he could not see the necessity of coming down to install pump as Mr. Broughton and Mr. Watson could attend to the matter.

He advised having the old pump overhauled as soon as the new pump was installed.

The following letter was read from the general manager of the Canadian Northern Railway Company:

A. T. Stephenson, Commissioner Town of Red Deer.

Dear Sir,—Referring to yours of 23rd ult., requesting information as to our company's intention in regard to the Brazeau and Strathcona-Calgary branches.

We have considered the matter of bringing the Brazeau line to the top of the bank near Red Deer and find we could not do this without lengthening the line considerably, and interfering with the proposed Alberta Central Railway. In regard to the Strathcona-Calgary line, I expect this matter will come up before our people for their consideration at an early date, and it is quite possible that something may be done.

The Brazeau and Strathcona-Calgary lines will be common from a point south of the Blindman river to within four miles of Lacombe.

Yours,
N. Macleod,
Gen. Manager.

COMMISSIONERS' REPORT.
The following report was brought in by the Commissioners and adopted:

The contractor's work on the cement sidewalks is completed. We are at present having gravel hauled along the gutter to protect it. We expect to lay before you at the next meeting the final report of the engineer, giving full details of the work.

To secure proper drainage of the walks it was necessary to have catch basins installed at the ends of the walks on Ross St. and Gaetz Ave. at the corners of Mackenzie and Blower. This has been completed also.

We guaranteed to H. G. Stone

\$15.00 burial charges for a destitute person sent here to the hospital from Lacombe, who died.

Since the last meeting two fires have occurred in town, both of which were promptly extinguished. In one case had there been a hand chemical extinguisher at hand it might have saved hundreds of dollars. We would respectfully suggest to occupants of stores and offices that these hand extinguishers be purchased and kept in handy places to get at quickly in case of fire.

The special meeting of the Town Council, held on the 3rd inst., decided not to accept any of the tenders for the \$22,000 debentures advertised for sale. Our present overdraft is very small owing to the large amount of taxes collected this year, and as it will only cost the Town about \$19.00 per month to carry them and we will have some Local Improvement debentures to sell soon, it should pay to hold them for a few months.

Greene & Payne informed us that the defence to the Neville suit had been prepared and would be filed this week.

We have had some trouble lately with leaks in the wooden water mains originally installed, and we will not advise the laying of any more wooden pipe except, possibly on short intervals. We have enough wooden pipe on hand to complete the lateral on Blower St. from the laundry to Gaetz Ave. We recommend that we be authorized to have this done this fall. It will also be necessary to extend the water main on 1st Avenue West from 1st Street South to the Great West Hotel and install a hydrant at the corner of 2nd Street South, but as this will likely be a main thoroughfare iron pipe should be used. It will also be necessary to duplicate the main from the power house to Gaetz Ave. with iron pipe and this work should be done early in the spring.

The new pump has been put in commission and is working properly so far. We purpose having the old pump overhauled immediately, after giving the new one a few days run to see that it is all right. As some work has still to be done around the pumps it will be necessary to shut down for a short time within a few days.

In view of the cost of purchasing and operating a rock crushing and steam roller plant, and of the report of the engineer on the unsatisfactory nature of macadam roads in this country, we feel that it would be very unwise to purchase such an outfit at present. Besides the heavy initial cost, the operating cost is very large, and from the engineer's estimate on the cost of macadamizing Ross Ave. for two blocks, it would cost about \$100,000 to do the principal streets only. It is necessary to crown Ross St. and Gaetz Ave. as soon as possible to secure proper drainage of the streets which is necessary to protect the

walks from water getting underneath. We recommend, therefore, that we authorize to crown these streets with gravel, which we can lay down for 50¢ per yard, using gravel from the property recently purchased by the town.

Wm. Piper, a few days ago approached us with a view to purchasing a piece of land in the new park adjoining his brick yard property. It is the wish of the Council to consider his proposition, we will look over the ground with him and see how much he wants.

H. Reinhold, requested permission to remove the side rails from the Douglas Street for a day or two to enable him to move a house across the creek. We recommend that he be granted permission under restrictions, as to protecting vehicles and pedestrians and restoring it to its previous condition.

We submit herewith list of receipts and disbursements for Sept.

We submit herewith list of accounts for authorization to pay.

Councillor Gaetz said he had the accounts from Mr. Crawford on the Laurier demonstration, but had left them at his home. It was decided to leave consideration of the said accounts over to a special meeting as Commissioner Stephenson desired to get away to a sitting of the Fisheries Commission.

ACCOUNTS
The following accounts were authorized to be paid:

S. McConnell, \$11.29; J. Anderson, \$10.50; Merchants Bank, \$100.00; Davidson & Westaway, \$166.65; Merchants Bank, \$159.63; Merchants Bank, \$126.64; Western General Electric Co., \$225.19; G. B. Parker, \$1.00; Springbett & Harvey, \$4.67; T. A. Gaetz, \$5.00; John Galt Co., \$52.05; Bawtinheimer & Sons, \$2.75; Town of Red Deer, \$25.51; Greene & Payne, \$93.25; Deputy Minister Public Works, \$18.45; Cushing Bros. Ltd., \$9.95; Western General Electric Co., 75; C. Hamilton, \$15.40; J. Halstead, \$2.50; Wage sheet for September, \$434.25; Wage sheet No. 2, \$15.75; Merchants Bank, \$818.26; Merchant Bank, \$375.00; Western General Electric Co., \$359.00; MacLean Publishing Co., \$7.00; Smith & Gaetz, \$59.50; Gaetz-Cornett Co., \$4.97; P. H. Tallman, \$17.28; Forester & Crutcher, \$1.50; R. E. Melville, \$25.54; Great West Lumber Co., \$120.94; Greene & Payne, \$377.16; Alberta Pac. Elev. Co., \$1.20; Red Deer Steam Laundry, \$1.00; Davidson & Westaway, \$17.00.

Some discussion took place on the death of the man sent to Red Deer from Lacombe. He died at the hospital and was buried by the town.

This man appeared to have no friends, and it was thought Lacombe should pay for interment. It seemed the man was only a short time here and was sent on here as we had a hospital. Red Deer hasn't yet reached the stage where a sick man without means could be shipped back to Lacombe, and he was cared for

until he died, and buried at the town's expense.
With regard to W. Piper's request for more land to enlarge his brick plant, the Commissioners will go over the ground with Mr. Piper, and then the Council will decide what they will do in the matter.
The Council then adjourned.

Sir Wilfrid Laurier Has Trouble
With Ministers Who Want
To Get Out.

Ottawa, Sept. 30.—One of Sir Wilfrid Laurier's chief difficulties during the last few years has been to keep his ministers. Host of them want to go to cover before the next general election.

Sir Frederick Borden wants to be the next Lieutenant-Governor of Nova Scotia in succession to the Hon. D. C. Fraser. An ornamental position just. Suits his fancy. He has become rich since he entered the Cabinet and can afford the expenses consonant with these positions, though not an old man—he is 63—he has been a member of the House of Commons since 1874. Only two men have served longer than he, namely Hon. John G. Haggart, the father of the house, and Hon. Wm. Patterson. Both were elected in 1873. Sir Frederick Borden was elected in the same year as Sir Wilfrid Laurier, who is six years older than the Minister of Militia.

Hon. Sydney Fisher wants to go into the Senate to become the successor in the leadership of the liberal party there of Sir Richard Cartwright. Sir Richard is becoming very frail. Mr. Fisher seems to have good grounds for believing that his desire will be granted, for he has just given a contract for the building of a handsome new residence in Ottawa.

Mr. Broderick is anxious for a position on the Supreme Court bench and is awaiting the retirement of Judge Groulx.

Hon. Rodolphe Lemieux is one of the few who have no desire for any other position. He is in politics to stay, for in the same year that he is in line for the leadership on the party in succession to Sir Wilfrid Laurier. He is only 43 years of age, and he knows that every body else knows, that the liberal party can hope for no success at the polls unless they can hold Quebec, and to do so they must have a French-Canadian leader. As a matter of fact, Mr. Lemieux is probably the ablest man in the Cabinet next to Mr. Fielding.

A Positive Cure for Indigestion.

If you have indigestion, your food ferments in your stomach and bowels. It does more to irritate the stomach and bowels than it does to nourish them. It makes new blood decays with it, and this leads to an impoverished condition of the blood, to nervousness, biliousness, constipation, sick headache, bad breath, and disgusts your friends, and other disagreeable and unpleasant conditions.

And all this trouble is caused by the food that doesn't digest, but ferments and utters rots in the stomach.

Indigestion is caused by the stomach not being strong enough and energetic enough to thoroughly mix the food with the digestive juices. M-I-D-N-A is responsible for tens of thousands of cases. In fact, it is such a positive cure for indigestion and all stomach troubles that it is guaranteed by Gaetz-Cornett Drug & Book Co. to cure or money back. The price of a large box of M-I-D-N-A tablets is 50 cents, and they are sure to promptly relieve the worst case of indigestion or gastritis. Try them.

BASEBALL NOTES.

Red Deer finished with 49 runs in the final baseball game of the season by defeating the strong Alx on their own grounds by a score of 3-2. The game was fast and exciting and considerable money changed hands on the result. Red Deer batted first with S. Bennett first up. Bennett bunted down the third base line and beat the throw. Turner attempted to do the same but hit the ball in the air and was caught out. Wagner drew a base on balls. Kelly struck out while Bennett advanced a base. Washburn went to first on Hall's error and Bennett and Wagner scored. Edgington was thrown out by Hall. In the second inning with two down and two on bases for Alx, Pitman hit to Washburn who threw to first apparatus. getting his man, but the Umpire did not think so and an error or two let in three runs. Hon. Pitman was called out Red Deer would have had another shut out to their credit. Red Deer got three more in the fifth by judicious hitting and one more in the eighth. Wagner pitched the ball and was fairly well supported. The detailed score was as follows:—

INCONSISTENCY.

Driven into a corner, the Globe's plea in effect is that it has been, and is, doing evil that good may come. The good that is to come is simply the retention of office by the Liberal party. If it frankly stood by its convictions and insisted on free trade the Liberal party would be defeated and the Conservatives would be returned to power. Therefore the Globe follows its alleged principles.

Here are the Globe's own words: "The dominant sentiment of Canada today is to resist the Liberal Government in going to the country on a free trade policy."

Political necessities are stronger than the economic. And again it says: "An appeal to the country on the sole issue of absolute free trade would, under present conditions, mean defeat for the Liberal Government."

People who desire lower tariff accordingly are given thoroughly to understand that there is no hope for substantial lowering of the tariff. The Globe thinks as a matter of theory that the tariff should be lowered, but it knows and admits that the Laurier Government does not intend to grant lower tariff and for the sake of office the Globe supports the Government which it is to be protectionist.

The average man will agree that this is partisanship run mad—or rather, run to sheer dishonesty. The Globe insists that the return of the Conservatives to office would mean a much higher tariff. The indications point all the other way.

Sir Wilfrid Laurier, and not Mr. Borden, is in alliance with the trusts and corporations. The Premier, and not the Opposition leader, has hounded the iron and steel industry to the extent of upwards of a million dollars a year. If the Laurier Government is sustained at the next general election it will be with the sanction and approval of corporations which he has favored.

SHOULD COME TO RED DEER.

The Lacombe Globe publishes an interview with a man from Ontario named E. Kidd, an M.P. for Charlton, or purported to do so, although we fancy the interview took place down in some dried up, wheat growing section, advising the people to go into mixed farming, dairying, cheesemaking, and sundry other things. If the Lacombe district isn't a mixed farming district with its creameries and dairy farms, what is it? Surely this man Kidd was not up there. If he wanted to see fine cheese factories and creameries, all he had to do was to come to Red Deer, where he would see several of the finest cheese factories in the west, conducted by Mr. Millar, who knows quite as much about cheese as Mr. Kidd, even if he is an M.P. and comes from Miss—, we beg pardon—Charlton. We could also show him the best creameries in Alberta in this district. "More mixed farming should be taken up. The farmers are now raising wheat and cattle only." We are surprised at the Globe publishing such a statement, because it is untrue. There is not, to our knowledge, a farmer who is not more or less a mixed farmer in the Red Deer or Lacombe districts, and that is what is going to make us one of the wealthiest and best districts in the west.

SYMPATHY FOR MR. FIELDING.

Many Expressions of Regret For His Affliction Have Reached The Minister of Finance.

Ottawa, Oct. 6th.—Many expressions of regret have reached Mr. S. P. Fielding, the Minister of Finance, regarding his illness. He has had a paralytic stroke on the left side of his face, and has to wear a patch over his left eye. The sight is almost entirely gone.

The loss to the Liberal party is tremendous, for Mr. Fielding is no longer capable of performing the tremendous work he has undertaken since he became Sir Wilfrid Laurier's second in command. He is the brains of the Liberal party. He is the biggest man in the Cabinet. Sir Wilfrid Laurier's is the most spectacular figure, but Mr. Fielding has all along been the man behind the scenes.

He is 62 years of age, but has lived a life of restless energy. He learned to work as a busy newspaper man in Halifax, and has never forgotten the teaching. Now that it is impossible to look upon him as Sir Wilfrid Laurier's successor, Hon. Rodolphe Lemieux is the next in line.

Mark Twain's advice to his daughter, contained in a charming letter, was: "Don't grow up. It takes the glory, and the charm, and the beauty out of life, and also the romance and the illusion—and those are the valuable things."

Nelson Shields for Local Schools.

We are authorized to state that Rt. Hon. Lord Strathcona's Nelson Shield has been offered by Rev. Alfred Hall, of Toronto, to each of the schools in the Red Deer Inspectorate.

There are no charges or conditions. The British and Foreign Sailors' Society, which received the "Victory" copper from the Lords of the British Admiralty, has undertaken the expense of mounting, engraving, and distributing these historic Shields; and only asks some voluntary contribution to reimburse them, and aid their Sailors' Institutes for men of the Royal Navy, Merchant Ships, etc., in Canada and all over the world.

These Nelson Shields are highly national and patriotic. Colleges and Schools where they are already placed.

Private Colleges and Schools are eligible to receive the Nelson Shield, and should apply for them.

The Unintelligent West.

The cable some time since informed us that the opinion of one J. B. Wilson, a Canadian who has for some years been a habitué of the modern equivalent of Grand Street in London, as to the relative intellectual standing of Western Canadians. The London Times is now to hand with the portentous declaration in full. Says Mr. Wilson: "It may perhaps with some advantage be endeavoring to reconcile the various economic sentiments prevalent in Canada at 1 venture to explain that the intelligence of the West is hardly comparable to that of the East."

The centre of Canada's culture, enlightenment, and statesmanship is not her geographical emphasis, but the Maritime Provinces, Nova Scotia and New Brunswick have between them furnished the majority of the eminent scholars, doctors, lawyers, divines, and statesmen in the entire Dominion, and are, in my opinion, entitled to occupy the place New England and New York occupy in America. Altogether too much is being made of opinion in Manitoba, Alberta, and Saskatchewan regions for whose political equilibrium we (and likewise posterity) may turn to Kansas or Nebraska.

Ascertaining the opinion of Nova Scotia and New Brunswick, the force and direction and probable fate of the present fiscal movement in Canada.

It must be the fish diet of our brethren down by the sea that makes them so outrank and overshadow the dull degizens of the buccolic west. It is becoming very evident that the Red Deerians will shortly have too votes open though they are shy on brains.

THE BIGGEST ELEVATORS IN THE WORLD.

It is really astonishing to read about the way the wheat crop of Western Canada is poured each fall through the elevators of the Twin Cities on Lake Superior—Fort William and Port Arthur. Last year, 43,000,000 bushels out of a crop of 125,000,000 bushels, went through the big terminal elevators in eighty days. The real significance of this is made clear by T. M. Halston in the course of a remarkable article in October Busy Man, entitled "Pouring grain through the Big Funnel." He points out that during the past year eighty-nine million bushels were handled by the Twin City elevators, that it required eighty-nine thousand cars to hold this quantity and that this involved the despatching from Winnipeg of thirteen thousand trains of seventy cars each. The manner of handling the grain is described in interesting fashion and a description of the mammoth elevators—the largest in the world—is given.

Several members of the Queen's Own had to remain in England on account of sickness. Is it any wonder that the men who were left were the star attraction at the Guildhall on their welcome to London:

NOTE OF CONDOLENCE

October 13, 1910.
A. N. Walker, Esq.,
Secretary Penhold Rifle Assn.,
Penhold, Alta.

Dear Sir—
At the annual meeting of the Innisfail Rifle Association, held on October 10th, the following resolution was adopted by a silent vote:

"That we express our sympathy and sorrow to the Penhold Rifle Club for the loss they have recently experienced by the death of their Captain."

I was further instructed when conveying this resolution to express the deep sense of personal sorrow felt by so many of our members who were acquainted with Mr. Elves.

We know how active he was in the work of the association, and what a loss he will be to the club. I can assure you that we in Innisfail feel deeply for your heavy loss.

Yours faithfully,
EDWARD J. FREEMAN,
Secretary Innisfail Rifle Assn.

A suitable reply was sent to Innisfail Club by Secretary Walker.

About 30 tons hay, nearly all bright lupine.

5 acres barn in stack, but the grain may be threshed before the sale.

The farm is the S.W. 1/4 30-36-24-4, on which there is a four-roomed frame house, 40 ft. log stable, chicken house, smoke house, and two good wells; all fenced and two fine pastures; 20 acres broken, and 100 acres can be cultivated, and is within one mile of the Alberta Central Railway.

The farm will be offered subject to a very moderate reserve by the sale by the auctioneer until such time as the bidding on the farm time as the bidding on the farm shall cease, when he shall open it, and if it reaches the reserve he shall declare it sold, subject to the following terms:—\$1,500 can remain as first mortgage on the place for nine (9) years at six (6) per cent. per annum interest, said interest to be paid annually, the balance over that amount to be paid on the day of sale, either in cash or by accepted cheque, and any part or the whole of the \$1,500 can be paid off at any time, should the purchaser wish to do so during the 9 years.

Now, Mr. You, is it something good you are after with good terms thrown in? If so, get busy and be on the spot ready for the bidding, as this is certainly a chance to get a place right, either for working or as a speculation, seeing all that's going to happen in the near future, as when the railways open close, then this place is likely to double in value. Mr. Biggs will be pleased at any time to show anyone over the place before the day of sale.

Terms of Sale: On everything but the farm, are \$20 and under, cash. On all sums over that amount, a joint bankable note will be taken bearing interest at 8 per cent per annum, or a discount will be given of 5 per cent on all sums over \$20. Luncheon at 11 o'clock. Sale commences at noon.

FRANK MOTT, M.A.A.A.,
Auctioneer, Red Deer.

SHERIFF'S SALE

Province of Alberta to Wit:

By virtue of a Writ of Execution issued out of the Supreme Court of Alberta, Judicial District of Calgary, at the suit of Crown Lumber Co. Ltd., Plaintiff, and Michael John Quinn, Defendant, and to me directed against the lands of Michael John Quinn, I have seized and taken into Execution the following lands, namely: Lots numbered 5, 6, 7, 8, 9, 10, and 11 in Block 4, according to a plan of subdivision of part of the Townsite of Red Deer of record in the Land Titles Office for the North Alberta Land Registration District as Plan H, excepting the Western thirty feet of Lots 8, 9, 10 and 11. On lots 5, 6, 7 and 8 is situated the West hotel and barn; on lots 8 and 9 is situated a cottage; on lots 10 and 11 is situated a cottage. These lots as now fenced are the lots being sold, the westerly thirty feet not being enclosed.

The property is subject to the following mortgages: Lots 5, 6 and 7 are subject to a mortgage for \$1500.00; lots 8 and 9 are subject to a mortgage for \$600.00; lots 10 and 11 are subject to a mortgage for \$500.00; all the above lots are subject to a mortgage for \$500.00.

Particulars of the above mortgage accounts can be had from the undersigned.

Which I shall expose for sale on Tuesday, the twenty-second day of November, at the Sheriff's Office, Red Deer, Alberta, at the hour of 2 o'clock p.m.
